IMPORTANT RANKING INFORMATION

If you are applying to more than one school, you may list your school preferences numerically in the ‘Rank’ box to the right of the ‘Apply’ box. If you do not rank your schools, they will automatically be ranked by proximity to your home (closest to farthest).

Your child will be entered in the lottery for ALL schools you’ve applied to, regardless of ranking. Ranking a school at the top or bottom of the list will not increase or decrease your chances of acceptance into that school. Ranking is used only to assign your child to your preferred Success Academy if he or she is accepted to more than one school.

To rank your schools:

1. Assign a number to each selected school, where 1 is your most preferred school.
2. Every selected school must have a number.
3. Do not assign the same number to more than one school.

If accepted at more than one school, we will only reserve a seat for your child at the school with the better ranking.
