

Please see below the Plan for Tracing for Success Academy Charter Schools, prepared in August 2020.

As noted in our On-Campus Learning Plan, submitted July 2020, we have been in regular contact with our local health department and will work with them to implement any contact tracing program deemed appropriate by local and state government.

We have since learned more details about the contact tracing program developed by the New York City Department of Health and Mental Hygiene, and NYC Test & Trace Corp, which is outlined in the attached [memorandum](#).
